

# THE BEACON SERIES

## Is it Important to Have Travel Medical Insurance?

Perhaps the better question is whether you are prepared to travel without it. While international travel is often interesting, fun and exciting, it is important not to ignore the real risks we face, even though we do not like to think about them happening. Imagine it is 3 a.m. back home; you are severely injured in a fall. Will anyone pick up the phone at your local insurance company? If they do, can they or will they be able to help you in an emergency? Many health insurance plans have restrictions for time out of home country or geographic areas which lack coverage. Be confident when you arrive in another country that you'll enjoy the security of the finest travel medical insurance protection available in the market today. Azimuth Risk Solutions provides the essential coverage and service to respond quickly, compassionately and professionally to the emergency mentioned above and hundreds of other travel emergencies.

## Is the Beacon Series a Good Value?

### New Low Daily Rates!

## Sudden Onset of Preexisting Condition

If you have a prior health condition which suddenly and unexpectedly asserts itself during your travel, the Beacon Series does provide a limited amount of coverage to help mitigate this unpleasant surprise. The Beacon Series offers coverage up to \$15,000 (including emergency medical evacuation) for existing conditions which are not undergoing treatment, including medication or therapy of any kind. Enjoy peace of mind, even if your health history has a few blemishes with this powerful benefit.

## Political Evacuation

### New Azimuth Benefit!

If you spend any time reviewing the headlines, you know the potential for a crisis to appear seemingly out of nowhere is real and present. In the event the US Department of State issues a travel warning on or after your effective date, contact Azimuth within 5 days for assistance in coordinating travel to an alternate destination.

## Personal/Third Party Liability

### Exclusive Azimuth Benefit!

If you are traveling away from your home country and outside of the US, the Beacon Series now offers coverage up to \$500 for personal/third party liability. So, be careful, but if you knock over that lamp in the hotel lobby, you can feel a bit better that you have protection that goes where you go.

## Emergency Medical Evacuation

It is likely that the most significant financial and personal risk you face abroad is the need for an emergency medical evacuation. In the case of a life threatening injury or illness, the Beacon Series provides coverage to transport you to the nearest facility which can properly care for you. We know it's important not to feel alone at a time of crisis, so the Beacon Series provides also coverage to transport an immediate family member or friend to your bedside in the event you are evacuated with the Emergency Reunion benefit.

## Free! Home Country Coverage - End of Trip

### Exclusive Azimuth Benefit!

A long time away from home requires a little time to get acclimated to life back home. That is why we provide 15 days free with a 180+ day purchase or 30 days free with a 365+ day purchase.

## Highest Maximum Limits Available

### Exclusive Azimuth Benefit!

Azimuth works to provide the best value in the market! If getting the most for your premium dollar matters to you then the clear choice is the Beacon Series.

## Terrorism

The daily news offers a regular reminder of the challenging environment in which we live. Terrorism, by its very nature is meant to take advantage of the unaware and unprepared. While we cannot stop these events from occurring, the Beacon Series is prepared to help with covering the expenses for medical care in case you are injured in such an attack.

## Optional Sports Rider

If you enjoy an active lifestyle, you will want to consider adding this coverage to your plan. Recreational activities such as parasailing & bungee jumping as well as contact sports which include soccer and basketball are examples of activities for which you will need the Sports Rider included on your plan in order to have coverage while participating. The Sports Rider provides up to \$10,000 coverage for these and other non-professional sports and activities. The Accidental Death & Dismemberment benefit does not apply when you are engaged in sports and/or hazardous activities.

## Trip Delay

### Exclusive Azimuth Benefit!

As we all know, travel can sometimes lead to frustration and trip delays are a big part of that frustration. In the event your travel is significantly delayed, the Beacon Series provides \$100 a day to help defray unexpected expenses as a result of such a delay.

## Quick Trip Home Coverage

Longer trips may require that you return home for a brief time to manage your affairs. Perhaps it is important to be home for the holidays; if so, the Beacon Series has you covered. If you purchase at least 90 days of coverage, the Beacon Series provides coverage in your home country for up to 14 days in your home country for a quick visit home, after which you would then complete your international travel.
