## A Final Note from Insurance Services of America's President, Graham Bates

Our International Freedom Plan is 100% insured by certain underwriters at Lloyd's of London. Lloyd's enjoys strong financial security supported by excellent ratings. Visit [www.lloyds.com](http://www.lloyds.com) for more information.

In addition to Lloyd's and Point Comfort Underwriters, Insurance Services of America (ISA) is here to provide you truly "old fashioned" customer service. When you call our office in Arizona or Indiana, a live person will answer the phone and we always respond to emails promptly. ISA helps insure over 60,000 new clients each year and is ranked among the best nationwide in both sales and service. I have been in the business since 1970 and ISA has been in the international health insurance business since 1995. ISA has earned an A+ BBB rating with a customer satisfaction rating of 99.9%. Our contact information is located on the front cover of this benefit brochure. Please allow us to be of service when traveling abroad.

Thank you.
